LHHS Track and Field Stadium Banner Artwork Submission Guidelines

Final Banner Size: 3 ft (H) × 5 ft (W) — Landscape Orientation To ensure your sponsorship banner prints clearly and accurately, please follow the specifications below when submitting artwork.

1. Correct Aspect Ratio (REQUIRED) • The banner ratio is 5:3 (width : height) • Artwork must be designed in this exact ratio to avoid cropping or distortion • Do not submit square, portrait, or stretched images Examples of acceptable canvas sizes: • 60 in × 36 in (preferred) • 3000 px × 1800 px • 5000 px × 3000 px 2. File Size & Resolution • Minimum resolution: 150 DPI at full size • Preferred resolution: 300 DPI • Low-resolution images pulled from websites or social media will not print cleanly

3. Accepted File Formats Preferred (best quality): • AI (Adobe Illustrator) • EPS • PDF (print-ready, vector preferred) Also accepted: • PNG • JPG (high-resolution only) If submitting raster images (PNG/JPG), ensure they are sized correctly and not upscaled.

4. Color Mode • CMYK is preferred for print accuracy • RGB files will be converted and may result in slight color shifts

5. Safe Area & Bleed • Keep all logos and text at least 1 inch from all edges • Avoid placing important elements near the edges to allow for finishing and grommets

6. Fonts & Logos • Convert all fonts to outlines (for AI/EPS/PDF files) • Logos should be vector format whenever possible • Do not send screenshots of logos

7. Content Guidelines • High contrast designs work best for outdoor viewing • Large, bold text is recommended • Avoid thin lines or small text that may not be readable from a distance
